Harperbury Golf Society 9 hole outing at Ley Hill

The weather was glorious, the clubs were cleaned, the lunch was ordered and the game was on!

Fourteen of us ventured out into the sunshine, some of us play regular golf, others once in a blue moon but the intention was to have a fun morning – and we did! Peter won on points but everyone enjoyed the gathering.

If any other members play golf and fancies joining us for our next 9 holes let us know.

Did you know..... we have a team of members that cut the grass at the club . They do an amazing job. Thank you.

Did you know..... Cups are being 'swilled' instead of washed up and put back into the cupboards. Please use washing up liquid to wash your cups up.

Did you know.....

We have recycling bins outside the kitchen door. One for cardboard and one for plastic and glass. Please do not put anything recyclable in the normal bin.

Well, here we are half way through our season, mixed weather, but on the whole a good season so far.

We have a number of games to go, friendly and competition games. Please make yourselves available for these matches, even if you have never played in a Ladies or Men's Triples League game, even if you have never played in a Top Club Game, even if you have never played in the Bob Vise, Griffen Cup or any other competition. These games are for everyone, if we do not have teams, this will affect your club. Let's not be one of those clubs that cancels games due to lack of players. We all stand together.

If your names are down it makes the selection for these games so much easier, please get involved.

As stated above, we have had games cancelled or helped teams out with a player or two to prevent games being cancelled. These cancellations have had nothing to do with Harperbury to this date, let's keep the names coming.

I have entry forms for this year's Martin Daly, and as in previous years it will be first come first served for our own players after the outside clubs have entered. These will be up the club from Monday 8th July. To date I have 11 external clubs and 1 possible external club.

Matches - we have had a few since the last newsletter, a mixed bag of results.

Unfortunately Batchwood could not field a team to play the Mike O'Brien Trophy, they are hoping to re-arrange. St Albans was cancelled due to bad weather.

The Mary Burnett Trophy went well and was won by Tim Anstey Rob Martindill and Maggie Long. The raffle raised £50 for Alan's chosen charity The Isobel Hospice.

Harperbury lost the 2nd leg of The Ron Gray Trophy which has been retained by Hatfield, unlucky everyone.

Both the Ladies and Men's team's have now exited the Top Club. Men losing to Welwyn Garden City and the Ladies losing to Hatfield.

We played Redbourn yet again in extreme heat HOT, HOT, HOT. The game ended at 12 ends phew! With Harperbury losing by 5 shots.

We have also played the first leg of The Stuart Mather Trophy, losing, with the second leg on Thursday 15th August. Help out your Vice Captain and put your names down if you can.

There are Team Sheets up in the club house for up and coming Matches including the in - house Tom Wheeler Trophy on SUN 14th July. Please take a 🙄

KEEP SUPPORTING YOUR CLUB, MANY THANKS SUE
